

Homework 1: Portfolio

Create a portfolio for yourself with a little description about yourself, experience, education and your skills.

Below shown image is for your reference and your site should look **similar** to the below given image.

- 5pts - Create a small logo for yourself. You can feel free and be creative in creating your own logo or can use one from google.
- 20 pts – Each page should have correct header including logo, navigation and social network links.
- 50 pts – Create **different** html page for each link stated in the navigation. Each link should have a header on the top one relevant image and a description about that link.
- 10 pts – Combining all links to the header using **a href**.
- 15 pts – Correct footer with navigation and social media links.

Add any image of your choice

HOME

Pellentesque habitant morbi tristique senectus et netus et malesuada fames ac turpis egestas. Vestibulum tortor quam, feugiat vitae, ultricies eget, tempor sit amet, ante. Donec eu libero sit amet quam egestas semper.

- You are free to design the site with your own favorite pictures and background color.
- For privacy reasons if you don't have a social network or don't wish to add link to your own social media profile, add link to social media URL only.
